Chapter 1 by Ashley

Waterlily is the 2 youngest in the family. She is 8 years old. She was born with white silky hair. Her friends call her Lily for short.

Chapter 2 by R

She likes to swim. Her other sisters reach out as she walks towards the lake - none of them swim - but she teaches herself.

It is bliss.

Lily loves her family. Truly. She knows they love her too.

But it is only the water which feels like home.

Gentle skin touches the water, dress floating upwards, and Lily steps deep in to the water of the lake so that even her head is under, silky hair floating in a halo around her head and she opens up her eyes, accustomed to the water, watching the animals and plants moving in the waves.

The float back up for a breath, then sink back in to the deepening silence of the water

placed by the short silence
